**Noise Exemption – QEW at North Shore Blvd. E**

This letter is in response to your Noise Exemption Application, for exemption from the *Noise and Nuisance By-law #19-2003* a by-law that regulates noise and public nuisances within the City of Burlington, specifically *Schedule 2 (8) "The operation of any construction equipment in connection with construction before 7am and or after 7pm"*

**"Construction Equipment"** means any equipment or device designed and intended for use in construction, or material handling, including but not limited to, air compressors, pile drivers, pneumatic or hydraulic tools, bulldozers, tractors, excavators, trenchers, cranes, derricks, loaders, scrapers, pavers, generators, off-highway haulers or trucks, ditchers, compactors and rollers, pumps, concrete mixers, graders, or other material handling equipment.

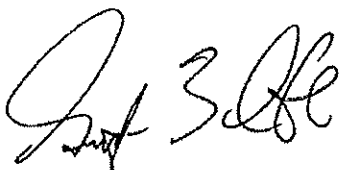

Under authority of the by-law, a noise exemption is hereby granted by the Chief Noise Control Officer to **Ministry of Transportation and authorized contractors** to continue such as work as is necessary using construction equipment before 7am and/or after 7pm.

**NOTE: Work is expected to begin on or about Wednesday, May 1, 2019 at 10 pm until Thursday, October 31, 2019 at 9 am**

It is recognized that due to uncontrollable circumstances such as weather conditions it may be necessary to change the proposed time and or date(s). Should different or additional dates and times be required for this exemption a request must be provided in writing to the City of Burlington prior to commencement.

**Condition:** Notification to residents within 150m of the project sites must be provided.

Regards,

**Grant Ziliotto, CPSO, CBCO**
