

**The Corporation of the City of Burlington  
Office of the Mayor**

**PROCLAMATION**

- Whereas** Ontario's doctors continue to care for patients as we emerge from the acute or crisis phase of the pandemic, and advocate to improve Ontario's health-care system; and
- Whereas** Ontarians can show their appreciation for doctors' service as we look to maintain and recover from these challenges; and
- Whereas** the Ontario Medical Association is organizing this province-wide expression of appreciation as a way for all Ontarians to recognize doctors for their bravery and dedication; and
- Whereas** this year, on the fourth Doctors' Day since the beginning of the pandemic, we want to once again recognize how Ontario's doctors are continuing to work through the waves of COVID to take care of their patients; and
- Whereas** raising flags and declaring proclamations in our communities has become a way of expressing gratitude for those leading the way out of crises.
- Therefore** I, Marianne Meed Ward, Mayor of the City of Burlington do hereby proclaim **May 1<sup>st</sup>, 2023**, as:

***“Doctors’ Day”***

in the City of Burlington and encourage all citizens of our municipality to thoughtfully observe this date by recognizing and celebrating doctors in the City of Burlington.

Dated this 18<sup>th</sup> day of April, 2023

  
**Mayor Marianne Meed Ward**

CITY OF  
**Burlington**
